WWW.SOCCERMOMSANDDADS.COM

Hello Soccer Moms and Dads,

We're thrilled to share the Fall 2025 Ohio Soccer Moms and Dads Rec Soccer Guide — your go-to resource for finding fun, welcoming, and developmentally-focused soccer programs across the state!

This year's guide features more than 50 recreation and foundational soccer programs from all corners of Ohio. Whether your child is stepping onto the field for the first time or building their confidence with the ball, there's a program in here that fits.

Our mission remains the same: to help families discover soccer environments that prioritize fun, learning, and community. We believe the journey begins with positive experiences — games filled with laughter, friendships, and foundational skills that build a love for the game.

Inside, you'll find programs for all ages and skill levels, hosted by clubs committed to making the game accessible and enjoyable. We encourage you to browse, share with friends, and consider enrolling your child in a league that fuels their excitement and love for soccer.

A big thank you to our OSMD Insiders — our valued sponsors — who make this guide possible. Their continued support helps us connect families with meaningful opportunities and grow the game at the grassroots level. Thank you for being part of the OSMD community. Together, we're building something special — and we're so glad you're with us.

See you on the sidelines,

Jennifer Dunaway
